About the Juror

Childhood: An International Photo Exhibition will be juried Jamie Lee Curtis, actress, children's book author, activist, photographer and collector.

Juror's Statement:

"Childhood is fleeting – yet sometimes, in a fraction of a second, photographers can capture its essence: joy, pain, play, boredom, frustration, elation. As an author of children's books I have tried to capture what it feels like to be a child - the good and the bad - and to stimulate a dialogue between children and parents regarding the issues raised in the book. I hope to see creative work that captures childhood's many guises."

How to Enter

You do not have to be a current member of TPS to enter the show. You may join TPS and enter the show.

Enclose one check to cover the entry fee of \$25 plus \$5 for each image over five and membership fee if joining TPS. Photographers may enter up to 10 images.

NOTE: If all your images are "Untitled," also have a unique name so that you will know which image was accepted.

When emailing digital files:

- Files should be 1000 pixels in the longest dimension saved in the JPEG format on high quality setting (not maximum). Images should be sampled at 72ppi and saved in the sRGB color space.
- Label each file with consecutive numbers followed by your name. ie 1SamJones, 2SamJones. Also, from a networking standpoint, do not use spaces in the title of the JPEG (use underscores if needed) and limit to only alphanumeric characters (do not use :."/?\|]+-=*&^%\$#@!.).
- In the body of an email, number each image so that it matches the above numbering system. For each image: provide the title, process, image size, and sale price. Images without a sale price will be considered not-for-sale. Include a Visa or Mastercard number along with the expiration date, 3 digit security code, your name, address, city, state, zip code and telephone numbers.
- If you chose, you may send the credit card information from our secure website: www.texasphoto.org.

5. Email files to shows@texasphoto.org.

When sending digital files on a CD:

- Files should be 1000 pixels in the longest dimension saved in the JPEG format on high quality setting (not maximum). Images should be sampled at 72ppi and saved in the sRGB color space.
- Label each file with consecutive numbers followed by your name. ie 1AmyJones, 2AmyJones.
- Fill out Entry & Membership Form and List of Entries form. Make certain that numbers and titles on forms match those on the CD. Mail payment, CD, entry form, and one SASE for return of CD to the address below. This is due by October 2, 2009. Send to:

As TPS frames all shows, prints must be mounted and overmatted using white matte board 16"x20" with at least 2" of border showing on all sides of the print. Maximum print size is 12"x16". Smaller prints, 3"x5" for example, are acceptable as long as they are mounted and overmatted to the 16"x20" size. Complete details will be posted on the TPS website and included in the acceptance letters.
